EXPERIENCE IT!

glassblowing • glass bead making
pottery • music • studio rental • events
workshops • outreach • and more

First City Art Center, formerly the Belmont Arts and Cultural Center, is a working arts center that encourages visitors to participate and interact with art. Our role for the community is quite unique – we are an artistic "hatchery" for many art forms including glass, pottery, dance and fine art. Our dynamic community minded programs and gallery shows offer children and adults of all ages and backgrounds to learn through the arts.
